

2020 Giving Guide

give

making a difference together

This giving guide provided thanks to our partner:

SECU Foundation

PEOPLE HELPING PEOPLE®

The State Employees Combined Campaign (SECC) is by and for North Carolina's

employees. It provides a convenient, efficient, and trusted way to give to causes important to our local communities, state, and world. More than 900 charities were vetted and meet standards of charitable accountability for giving in 2020.

Now More Than Ever, your gift is needed. Covid-19 has placed greater demands on charities, while reliable funding for programs is at risk. You can make a difference. Find Your Cause and search charities at ncsecc.org.

Dear Fellow State Employees,

Thanks to your generosity over the years, the SECC is a powerful force to make a difference! Since the campaign began, state employee donors like you have contributed more than \$115 million to charities helping make North Carolina a better place for all of us.

When you contribute to the SECC, your donation joins other state employee donations to become a larger, more powerful gift. Together, these gifts amount to an incredible difference - for the charities, those they serve, and our state as a whole.

We are proud to serve as your 2020 SECC Co-Chairs. We are energized by your generosity, the enthusiasm of our fellow SECC volunteers, and the powerful impact we have all made throughout the years. We know this year will be a challenge given the COVID-19 pandemic, which has impacted all of us. However, this year also gives the opportunity to make an even greater impact through the charities we care about. The organizations that serve critical causes need us more than ever, and, TOGETHER, we can be the difference.

We look forward to accomplishing great things together again this year!

With Gratitude,

Douglas Holbrook
Chief Financial Officer
Dept. of Public Safety

Jon Minshew
Chief Customer Officer
Dept. of Information Technology

EarthShare North Carolina is honored to join Doug, Jon, and SECC volunteers as the new managing partner of the SECC. EarthShare NC is a coalition of local, state, and national nonprofits working for the health our state and people by protecting the natural environment on which we depend. We are also a local leader in campaign management with over 30 years in our collective experience. Our commitment is to make it easy to support what is most important to you. We will help you find your cause, share your stories, and make a difference together.

Heather Beard
Executive Director
EarthShare NC

Growing up, I was a recipient of some of these programs, so giving back is important to me. SECC makes it easy.

Tabitha Groelle
NC State University

I support the SECC because I know the organizations that benefit from the campaign truly make a difference in our communities.

Cale Johnson
Dept. of Revenue

I donate and volunteer because it is a safe, secure, & easy way to monetarily give to NC nonprofit organizations in need. It is a way for me to demonstrate the passion, & commitment I have for my community.

Sterling Johnson
Dept. of Transportation

I volunteer with the SECC because I wish to spread happiness, joy, & a helping hand to those that need it.

Ricky "Shane" Seeley
Dept. of Public Safety

I donate and volunteer in memory of father who passed away from lung cancer!

Quentin Gunter
Winston-Salem State University

I support the SECC because in 2019 my sister & I stayed at the SECU Hospitality House in Winston Salem when our mother was being treated at Baptist hospital. They were a life saver for my family during this difficult time.

Becky Werts
Dept. of Health & Human Services

Making a Difference Together...

Your co-workers and fellow state employees collectively donated over \$3.2 Million in 2019. Why? Let's let them tell you!

Did You Know?

The SECC Is Turning Green!

We are aligning the campaign with taking care of the state's natural resource health. With EarthShare NC as the campaign manager, we are using high quality digital platforms, reducing the quantity of paper giving guides, and ensuring 30% recycled content and Forest Service Certified sourcing of paper for all materials. This means using less energy and water, producing lower carbon emissions, and ensuring that products come from responsibly managed forests that provide environmental, social, and economic benefits.

Hear/read more stories and share your own by following @ncsecc on Facebook and Instagram. Share your photos and campaign events using #seccpowerofgiving.

Frequently Asked Questions

Who can contribute?

All state employees and retirees are eligible to participate. If you are not eligible for payroll deduction you may give by cash, check, credit card, or stock transfer gift.

Are my contributions tax-deductible?

Yes. Keep a copy of your pledge form or print your ePledge confirmation email. You may need additional documentation to support your contribution depending on the amount you pledge. Consult your accountant or tax advisor for more information.

What is the duration of my payroll deduction and when does it begin?

Deductions begin January 2021 through December 2021.

What happens to my contribution if I don't designate a specific charity?

The SECC's rules specify that all undesignated gifts be proportionately distributed to those charities receiving designations. For example, if Charity A receives 5% of designated pledges, then Charity A will also receive 5% of undesignated pledges.

Is there a minimum donation to designate a charity?

Yes. The minimum donation to designate your gift to a charity is \$10. If you donate less, your contribution will be undesignated.

How is my personal information shared?

Only the information you provide (name, email and/or address and amount pledged) is shared with your designated charity or charities. You may remain anonymous (opt-out) by checking the box found on the pledge card or ePledge site.

What is the administration cost of the campaign?

The SECC's low administrative cost (11% of the prior year's campaign) is a lower percentage than most charities spend on fundraising and administrative costs themselves.

Don't see your favorite charity listed?

Try searching online at ncsecc.org

If your favorite charity isn't on this year's campaign list, encourage them to apply for the 2021 Campaign.

Application materials for 2021 will be available in November 2020.

Charities can learn more about the application process and requirements under SECC Charities on the SECC website.

Not sure which charity to choose?

Here are 3 steps to help you find the power of your giving

Your donation to a cause that's important to you is your personal Power of Giving!

1 Start by asking yourself, "What's important to me?"

Think about people in your life, your hobbies and interests, and things you would like to change or are concerned about.

2 Review the Charity Listings.

Review the listings on the following pages or visit NCSECC.org and search by type of service to find charities that match your interests.

3 Select your charity and pledge an amount.

Fill out a pledge form or pledge online (ePledge).

Regular payroll deduction is a great way to increase the power of your giving without putting too big of a dent in your wallet at one time.

Our Division Leaders, Team Captains/Solicitors

They are the engine of the campaign making sure that everyone everywhere can access the terrific benefit of this giving campaign.

Our University Chairs & Department Executives

The countless hours that go into planning a unique campaign for each department/agency & university requires leadership and dedication.

The State Advisory Committee

For their guidance and undying commitment to make the State a complete success.

The design team at the Dept. of Information Technology

For their creative contributions to the Giving Guide

The Governor, Secretaries, Chancellor's, Directors and other leadership within our state government and university system

They support the campaign and believe that we can make a difference together.
